

Live Assistive Technology (AT) Overview Webinar for Parents

VocaLinks and YCDSB is offering an online seminar for parents of students who use Assistive Technology at school and/or at home. This webinar provides an overview of the main AT software. Learn with other parents about the tools your children are using to be successful at school while also learning how you can best support your child.

Your VocaLinks Instructor will:

- ⇒ Overview AT Tools: Kurzweil 3000, WordQ/SpeakQ and Inspiration
- ⇒ Discuss the ways teachers and students are using AT in YCDSB
- ⇒ Illustrate learning strategies utilizing AT Tools
- ⇒ Answer your questions about the technologies
- ⇒ Show you how to gain access to online resources
- ⇒ Give you information about how to get AT software at home

What is needed to participate?

1. Online Registration

2. A high speed internet

3. A phone line
